

BREEDER RIVER RAFTING

African Water Wanderers offers the most unforgettable river rafting experiences. Since 1998 African Water Wanderers has built an outstanding reputation for safe exclusive river rafting trips. Paddling in a two-man inflatable croc is the ultimate way to explore the river.

The Breede River is just outside Worcester and only 1½ hour's drive from Cape Town. This section is safe, easy going, exciting channels, a couple of small rapids filled with bird life and scenic splendour. Ideal for all visitors, family, social, corporate and school groups. One or 1½ day trips
